A small but unique selection of sandwiches at this sparsely yet well considered space. Always some great vinyl playing and I highly recommend the Rubeen sandwich - on Tuesdays it is \$10.00 so if your lucky...the Chicken sandwich is also great with crispy chicken skin - nom! On researching this cafe, the reviews were great and the food looked delicious. We therefore decided to go here for breakfast. However, on the two occasions we have turned up for breakfast they have not been open on time (7:30am) - no lights and no sign of life. Please change opening hours if you are not open by the specified time. Very disappointed. [View all feedback](#).
