if you want a quick bite this is the place to go. I went here because a group of us went to a Japanese restaurant just a few doors down and the service was the worst I have ever had ie no food on the...More [View all feedback](#).

What [User](#) doesn't like about The [Kebab Factory](#):

The [kebab](#) factory has branched out into other meals but none of them are memorable. Its all about whether you prefer your meat in a souvlaki wrap or a [kebab](#) pocket. Prices OK, food edible, a few tables to sit at including outside. Worth a visit if you are in the area but not really the place to carb up before The Black Pearl or one of the classier places in the street. The strong garlic taste lingers and ruins a good...
