What [User](#) likes about Moustache Bros.:

We were pleasantly surprised with this place. The coffee was perfect! And I am very fussy about my coffee. The pumpkin bruschetta was delightful too. Friendly staff make this almost a perfect place to dine. (I say almost coz the toilets were a bit average). But I will be back. [View all feedback](#). What [User](#) doesn't like about Moustache

Bros.:

Dropped in for breakfast. Service is slow. They seem pre-occupied with coffee - which i don't drink. Ordered a chocolate milk shake with poached eggs and bacon. They couldn't make a chocolate milk shake - had to send t back and the poached eggs were overcooked. Really! For the price you'd think they could these basics right.
