The signature dish is actually a curry puff snack. Wonderfully crispy and perfectly balanced with the right condiments. The spiciness is just right and does not burnt off your taste buds. The laksa and chicken rice are to die for. [View all feedback](#). What [User](#) doesn't like about Loy's Puff:

Been here a few times over the years but recently it was such a let down. The curry puff is small but it costs \$3 each! Not worth the money. The chicken rice regular is \$10 and large is \$11.50 which is either an extra wing or drumstick. Used to be served all on one plate but now it is separate dishes. Not authentic hainanese chicken rice. The rice is different. Chicken on the overdone side. Soup so bland. Seating limit... [View all feedback](#).
