Came in for a coffee and decided to have something to eat. Chose the pea fritter with avo salsa. All together \$18 and very nice. Fresh salad and coffee was great too. Staff are friendly and happy too. Thanks???? [View all feedback](#). What [User](#) doesn't like about Jamaica Blue:

Jamaica Blue looks nice but the food was rather average and service a bit slow. There were some pre-prepared meals at the front counter, so we ordered some of those (chicken crepe, only one [vegetarian](#) option) and a fruit salad and gingerbread man. [View all feedback](#).
