Pensei que iria me arrepender.... puro pré-conceito! o sabor e qualidade é inigualável! eu me arrependi de ter ido antes, o atendimento foi personalizado, podem ir sem medo. [View all feedback](#). What [User](#) doesn't like about The Ghan:

We were told to try out this local gem. Good reviews. Unfortunately the service was non existent and although the food was ok we won't be going back. A quiet night for them and they obviously decided there was no point in serving us! We were planning to try their baklava for dessert but as no one ever came back to our table we eventually walked up to the counter to pay and left.,, [View all feedback](#).
