The chef as kind enough to prepare the fish as a grilled gluten free option. Squid and steak meals also available as gluten free. Good pub food. Comfortable dining room. Good place to stop on the Great Alpine Road. [View all feedback](#). What [rkshad](#) doesn't like about Albion Hotel:

Dropped in for coffee. Not coffee snobs- usually just order standard flat whites- but they were undrinkable. One was so hot it burnt the tongue and left a foul burnt coffee flavour in the mount for hours. All this for \$6 per cup of coffee! [View all feedback](#).
