My husband and I stopped in for lunch while traveling through Drouin. This bakery has indoor and outdoor seating. The service was very good and served to our table. They have a great selection of pies, sausage rolls, cakes and bread with excellent prices. There is even a sandwich bar for freshly made sandwiches and rolls. Coffee was also really good. Nice bakery right in town. [View all feedback](#). What [User](#) doesn't like about Nicks

Bakehouse:

in the last weeks I arrived several times and most employees and customers wore no masks. Too bad it's a great bakery, but I won't be back until they follow the rules. [View all feedback](#).
