Food was delicious with generous portion size. We ordered one meal each and shared them banquet style. Entrees were hot fresh and tasted great. Mains were a tasty blend of Thai seasoning without being too hot and were served in a timely manner. Staff are friendly and attentive without being intrusive and the place isn't too noisy so conversations were easy. Pricing seemed right on the money too. Highly recommended we... Needed something quick for dinner on our way home and this was our choice. The place is old and dated. The bad smell of deep fryer floods the air in the place. But after that it's not too bad. Staff were good and food satisfied. Maybe with a minor update and better exhaust fan this place could be a bit more comfortable to dine in. [View all feedback](#).
