We didn't stay at the hotel, we only went to the bistro for dinner. The menu had a great selection and we had a lovely meal. Everyone in our party of 8 enjoyed what they ate. The kids area was great and the fact that there was a gate around the outdoor eating area meant the adults could sit at our table and still see the kids playing.

We'd definitely visit again. [View all feedback](#). What [User](#) doesn't like about Lake Mulwala Hotel:

Visited a couple of times and found the beer to be nice and cold but a bit disappointed with the actual set up of the pub. Outside beer garden a bit run down but top location next to the lake and the water slide so if you needed a refreshment it was easy to get one. Also ate lunch there one day food was ok [View all feedback](#).
