I hadn't been here before, my parents asked me to go there to buy them fish and chips for lunch. Great selection of food and everything was fresh and not over cooked. Didn't take too long either even though they were busy.

This place was super busy, even on a weeknight but Didn't wait very long to receive our order. It's a very Basic average fish and chip shop, with mostly frozen items. Staff were friendly. Had better but certainly had worse.
