For *changing offers*, please contact the restaurant owner directly. You can also contact them through their website. What **User** likes about Miss India:

Within walking distance to my Motel and the food was fresh and delicious. Young staff were courteous and friendly. Serves take-away or there is an eat-in section. Delicious food. [View all feedback](#). What **User** doesn't like about Miss India:

this is probably the worst Indian food I have ever eaten. There was no spice in it at all. Plenty of meat, and a good sized portion, but just tasteless and even a bit greasy. The Naan was great, but the curry was just ordinary.

I thought I would get a better meal here than at a [fast food](#) place, but maybe not. [View all feedback](#).
