We were here on a week night so was no problem with tables Food was great Staff were great - well maintained building not like some of the sizzlers that we have been to - I hope this one stays open [View all feedback](#). What [User](#) doesn't like about Sizzler:

Good service, child friendly. Went for early dinner The salad bar wasn't quite refilled from the lunch service and I would advise people not to go until after 5pm to ensure the salad bar has been refilled. Plenty to please anyone, pasta, bolognaise sauce, 4 different soups, pulled pork to make nachos, tacos or tortillas, heaps of different salads, apple crumble, choc mousse, jelly, sticky date pudding, pavlova and ic...
