This is the first time I've come across the Zambrero chain. After reading they donate a 'meal' to the needy from the sale of certain meals, I decided to give them a try. I chose the chicken quesadillas. 2 for \$8.90 (Nov 2016).

They were tasty! The only thing is, they could have been a bit bigger. I think I'll try the burrito next time That looked good! [View all feedback](#). What [User](#) doesn't like about Zambrero Townsville Stockland:

Never seen this chain of [Mexican fast food](#) before. Sort of a subway type experience in terms of choice & preparation. I'm not a huge of [Mexican](#) food but quite enjoyed the softshell beef taco's I purchased [View all feedback](#).
