One of the few dim sum places around the area with good food and service. Tea pot gets refilled without being asked, tea leaves topped up when tea becomes diluted, highly recommended [View all feedback](#). What [User](#) doesn't like about Plume:

What on earth happened here?...For years this was a gem of the west with fresh dim sim, delightfully geriatric waitresses who seemed to have swapped Zimmer Frames for Yum Cha trolleys. It's now fallen into an oily reheated third world slop cesspit of over corn floured, slimy slippery dirty basketed unappetizing morsels. Never go there! [View all feedback](#).
