Maroubra Saltwater Quality [Seafood](#):

This is our local fish and chip shop. Their fish and seafood is pretty good. They do a really nice grilled fish. It isn't too oily and it appears that they change their oil frequently. If you're at the beach and want fish and chips for the family then I would recommend this place. [View all feedback](#). What [User](#) doesn't like about Maroubra Saltwater

Quality [Seafood](#):

Have ordered take away fish, chips and salad for almost \$12. I guess you get what you pay for. There was very little flavour in the batter used with the fish and the [seafood](#) salad was not as fresh. A pity to pay extra for tartare sauce should be complimentary when ordering with fish. May not go back again in a heartbeat. Just expected more for [seafood](#) when in Maroubra area. [View all feedback](#).
