Really balanced and flavourful **pizza** that is really presentable for any celebration. Really fast and speedy cooking time (14 minutes for 4 pizzas and 1 garlic bread). And still piping hot in a 20 minute air conditioned car. Really good quick takeout for any a cations. Would definitely recommend for all events. SOOOO YUMMY !!!!!!!

Me and the wife got some pizzas here. After my wife paid I asked for the receipt coz something didn't add up. They overcharged us (no surcharge), and when I told them that they overcharged us the bloke said that he didn't. The price on the menu said one price, the receipt said more, and the bloke still denied it. **Pizza** was good, however if they're sketchy right before you, I wonder what happens in the kitchen.
