Birthday celebration... make sure you sit at the teppanyaki plate table for the full experience of this restaurant. We had one of the banquets and it did not disappoint. Food is made in front of you and very tasty. Chef does his best to jazz up the cooking process with a few tricks. Enjoyable evening out, service attentive. [View all feedback](#). What

[User](#) doesn't like about LanTing Japanese Restaurant:

Expecting something quite special we were very disappointed. Tired stale veggie spring rolls (maybe one strand of cabbage; cracked and obviously dried out wrapping) followed by an underwhelming but top price (\$31) salmon dish: large piece of salmon (well done and tasty) served with fried onions and a few pieces of chopped zucchini.

Strange and unsatisfying combination. Sad to see this standard when it rated so well. [View all feedback](#).
