Best Thai food ever. We regularly eat here & get takeaway as well. Would recommend it highly. We've eaten Thai food in Bangkok & various Thai restaurants around the world & this food is five star in my opinion. [View all feedback](#). What [User](#) doesn't like about Thai Hut:

service is friendly, and the prices are ok, but eating is below average. had fishcake and chickens' sweets. both were average, but okay. also the tom yum, where the wheels fell off. it was definitiw not tom yum. it tasted. such as beef-oxo cubes and tomato paste with an ice-salt.
