This is an extremely popular bakery with many locals coming in for their lunch. Their pastries and cakes are all great and the coffee very good too. Tables and chairs outside as well as inside. [View all feedback](#). What [User](#) doesn't like about The Country Bakehouse:

Think we must have come on a bad day after reading previous reviews. Coffee fair, the slice of 'carrot cake' served was stale and inedible. Won't be back. A pity as a pretty location and not much competition. [View all feedback](#).
