The owner is Ethiopian and there was a time when she did most of the cooking, a a selection of curries they can "Wat". I understand she has acquired an Indian cook. Love it. [View all feedback](#). What [User](#) doesn't like about

Abyssinia Cafe & Restaurant:

Unassuming restaurant on the way out of town, part of a hotel. Very quite and no one else there on a Saturday evening. Had the Ethiopian beef strips - very nicely cooked. The curried chicken Wat was also really nice. Had a flat beer served, was no issue to replace. Owner took our orders whom was very friendly. They also do Take away. Summary: Good food, friendly staff and quiet and clean surrounding. Would eat there... [View all feedback](#).
