I have to admit I am a little addicted to these guys for a quick lunchtime fix. Their Burritos and naked Burritos are both great. I am completely addicted to their beef Burrito. This place is like your [Mexican](#) Subway fast food. Not your high end [Mexican](#) restaurant, I wouldn't go here for a night out, however they are perfect for a quick lunchtime [Mexican](#) fix. [View all feedback](#). What [User](#) doesn't like about Mad Mex - Fresh [Mexican](#) Grill: Presentation skills are lacking here. My vegetarian naked burrito tasted pretty good, but cold once crunchy lettuce was plonked onto the hot elements of rice and beans resulting in a tepid pile of food. Thankfully it was filling and fine. [View all feedback](#).
