Far better than a local coffee shop ... food and coffee were great. Will be back to enjoy lunch or dinner, the menu looks exciting. We were able to find a quiet place where business could be discussed. Ideal. View all feedback.
What User doesn't like about Olympic Hotel:
Our visit this evening was a short one as the place was freezing cold. Laminex style tables without covers, plastic chairs, and two little split system airconditioners in a large room does not an inviting atmosphere make when the outside temperature is in single digits. View all feedback.
