Not being a big fan of HSPs, I was very reluctant to try another but this place was well worth it. A very simple [kebab](#) store that produces the best HSP I have had to date. There is usually a wait, but it's definitely worth it. If the shop is busy, there are plenty of seats across the road in the park. [View all feedback](#). What [User](#) doesn't like about Centreway Kebabs:

every time we have been in order, we take a stance and give a rest from the owner, and his son is constantly forced to put the fires out, it really brings the whole place down. [View all feedback](#).
