Time and time again I am consistently happy with the Pizza at Carmelo's. Fresh ingredients and a nice thin crisp crust. The online ordering facility works well. I can enjoy discounts for ordering online and minimise my waiting time since my pizza is being cooked as I take a short walk from home to pick it up. [View all feedback](#). What [User](#) doesn't like about Carmelo's Cafe:

In today's age of pizza Mecca, sadly this place misses the spot. Large serves, yet crust is really where this pizzas greatness ends. Toppings are average and lacks taste. Too many great pizzas to try this one. Needs a facelift as well, stuck in 80's like many if the old pizzerias on Lygon. [View all feedback](#).
