What [User](#) likes about Hog's Breath Cafe: We love the food it is reasonably priced and worth it, the meals are a good sized proportion, great atmosphere music is great and the memorabilia of the area is interesting, staff are friendly and always around to see how everything is going, yummy cocktails. [View all feedback](#). What [User](#) doesn't like about Hog's Breath Cafe: A lot better options around, service was poor and slow, it took a long time to receive meals that all come out at different times, some meals were cold, food was expensive and very average. We didn't raise concerns while we were there because none of the staff seemed to care anyway. [View all feedback](#).
