Have been to this little tavern many times and the service and meals are always good, this is just like a little country pub except on the doorstep of the coast, always something to see and do and is very family friendly.

Great pub great atmosphere and quality meals. [View all feedback](#). What [User](#) doesn't like about Merrimac Tavern:

Decent meals. But you'll have to eat it with the cigarette smoke from the smoking area which is 3 metres from the dining area. Staff could be a lot friendlier. Recent price increases has made it less value for money [View all feedback](#).
