If I can't think of where I want to go in Ipswich I'll always head off to the Yamanto Tavern the food is always brilliant the service is always fantastic and the prices are fair I really do enjoy coming to this place it's one of my regular haunts thanks for the great food guys [View all feedback](#). What [User](#) doesn't like about Yamanto Tavern: I was not impressed with the service we received last night. We waited over an hour for our meals. There was no apologies and at no stage was I informed that there would be a lengthy wait. When I eventually got my meal I had to send it back. When I cut into my medium cooked steak it was still rare in the middle with red juices running out. Not happy at all. [View all feedback](#).
