What User likes about Farrell Flat Hotel: We stayed in the Farrell Flat Hotel for 4 days and it was an amazing experience. Chef, the owner was so kind and generous with us. The pub has beautiful cold beers and the hotel is very quiet ! I recommend you to stop there, you won't regret it ! View all feedback. What User doesn't like about Farrell Flat Hotel:
I love the silo art. let them support our own coffee in our van, but wanted to support small businesses. ordered coffee and was said to make only flat white, that is not care. then we immediately got coffee! again good, as we are not coffee snobs, but then to pay $5 a cup! safe meals are probably better. Don't go to the coffee! View all feedback.
