What [Jo-anne E](#) likes about Red Rooster: Tried a Roast Chicken Roll with gravy instead of mayonnaise for the first time thoroughly enjoyed it. plenty of filling in the roll. The chips were hot salted the drinks were cold. Plenty of napkins were supplied which was helpful. Tip: We ate close by at a park with a lake a menagerie of ducks geese. Very pleasant. What [User](#) doesn't like about Red Rooster:

Restaurant was filthy but only 1 table occupied. Young staff with no obvious adult in charge. Staff very 'bored' and it was a chore to serve. Finally got my order and got home only to realise that they hadn't given me half of it so had to drive back only to be greeted again by disinterested staff. Got home a second time and it was disgusting.
