Each time we come to [MALENY](#), the quality of the food keeps improving, and Sarah's Unplugged was no exception. The food was fresh and tasty. The juice was yummy and coffee great. But the best part was the lemon and lime tart. We thoroughly enjoyed our lunch and will definitely come back. [View all feedback](#). What [John B](#)

doesn't like about Sarah's Unplugged:

Disgusting service, queued at the main till as the signs insisted for ice cream, then after a long wait they started serving directly from the ice cream counter, when we finally made it to head of the queue the young lad serving was told to go and do another job, don't waste your time [View all feedback](#).
