I go the Maso club with my sister once or twice a week while staying in Sydney for work. Baxters kitchen is a great place to eat with affordable and good size meals. They have specials most nights and the staff are very accompanying, especially Maria. I would recommend you try it at least once and I bet you will be back again.

My husband and I haven't been here for a while so decided to go as friends had told us that the club had been refurbished. The food menu is very overpriced for a club. I wouldn't expect to pay \$36 for a steak in a club. I had the basic Fish & Chips and couldn't eat it as it was heavily over battered.. [View all feedback](#).
