What [User](#) likes about Mayonna Creekside: We ate at the restaurant, not sure about the accommodation. We stayed in a hotel nearby, but came here to for lunch on all the days that we were in Goa. The outdoor seating, just next to the river is amazing. Great views and a peaceful pace. Food was very very good. We tried several veg and non veg options and everything was very tasty and well priced. [View all feedback](#). What [User](#) doesn't like about Mayonna Creekside: Good place to stay.
