Ogalo is a fast and friendly option for those looking for halal chicken in Sydney, although some found the burgers to be bland. While some reviewers enjoyed the greasy, tasty chicken burgers, others were disappointed by the lack of sauce and flavor. The menu offers a variety of healthy options, including salads and pasta, making it a good choice for those looking to eat something other than fast food. The prices were reasonable, and the staff was helpful in recommending popular menu items. Overall, Ogalo provides a decent alternative to other fast food chains in the area, although some improvements could be made in terms of taste and variety.
