For **changing offers**, please contact the restaurant owner directly. You can also contact them through their website. Located near Parramatta station, this pub offers a mixed bag when it comes to food and service. Some diners were disappointed with the overcooked schnitzel and bland pizza, while others found the new menu to be a miss compared to the previous one. Slow food service can be an issue for those in a hurry, and the tap beer received criticism for not being up to par. However, the beer garden was a hit with visitors, offering a pleasant atmosphere to enjoy drinks. Despite some inconsistencies, the venue does offer good value for money, a welcoming space for events, and catered well to various dietary needs, including vegan options.
