This Sydney gelato shop offers a unique experience with its plant-based coconut milk ice cream, making it a popular spot for vegans and lactose-intolerant individuals. While some found the flavors to be too sweet or lacking in taste, others raved about the creamy texture and variety of options available. The innovative presentation and friendly staff were highlighted by many customers. Prices may be slightly higher than other places, but the quality and creativity of the gelato make it worth the cost. Overall, this gelateria is a must-visit for those looking for dairy-free and vegan dessert options in Sydney.
