A new cafe in the area offers gluten-free and dairy-free options, but some customers were left disappointed. Burnt toast and lackluster service left a bad impression, while others praised the divine coffee and delicious meals. The legendary coffee and friendly service stood out, making it a great spot for a small bite to eat. Despite some negative experiences, the restaurant also received high praise for its wholesome food, efficient staff, and excellent customer service. The hope remains for the restaurant to reopen for dinner service in the future.
