The restaurant at the Black Bull hotel offers a mixed bag of experiences, with some diners enjoying the large and tasty meals served at a good price, especially the steaks and burgers. However, the service seems to be hit or miss, with some customers waiting long times to be served or experiencing cold food. The atmosphere is commended by some for its funky vibe and bar service, though others found the staff rude or unaccommodating. Overall, the restaurant seems to offer a decent meal but falls short in terms of service quality and consistency.
