Potager, located in the beautiful hinterland behind Coolangatta, has been receiving rave reviews. Unfortunately, not all diners have had the same amazing experience. While some have praised the fabulous views, delightful garden, and delicious food, others have been let down by various aspects of their visit. Concerns have included slow service, mixed execution of dishes, and confusion over seating arrangements. Despite the mixed reviews, many visitors have found Potager to be a hidden gem, with excellent service and a unique dining experience. Ultimately, whether Potager lives up to your expectations may depend on the specifics of your visit.
