For **seasonal or weekly deals**, please get in touch via phone or use the contact details provided on the website. This restaurant is loved by many for its affordable and huge servings of noodles. The beef servings are adequate, the noodles are freshly made, and the soup is light. Customers highly recommend the Beef Wonton and Lamb Dumplings. The pork noodles are also a must-try. The place is clean, service is good and fast. Even those who usually avoid soups were able to appreciate the noodles and dimsum here. Some find the Chinese spices in the soup base a bit strong, but overall, the dumpling platters are filling and delicious. While the dry beef wonton noodles are praised for being really good, some found the steamed dumplings to be so-so with thick skin. Overall, this spot seems to be a hit among those looking for tasty and affordable noodle dishes.
